He also made the following comments The Development Galas was over budget by £600 with entries down by £1064 compared to last year. Door was up £200 but this was really a downturn when taking increases in charges into account. Cost of Sheffield £140 over budget and £314 more than last year. Income on Masters Champs. was down £90 on last year. Income for Diving Champs. is £80 above budget, although we	

	still have to pay £49 pool hire. A cheque had been received from Swim Stop for £1000 , He considered that the Gala & Swimming Account would be more or less on budget. Water Polo Inter-County tournaments, were well under way but some £300 of the Junior Development budget has yet to be spent. The Chairman thanks the Treasurer for his report and the accounts.	
39/2013	BUDGET	
	The budget circulated at the last meeting was ratified although the Treasurer felt that there were some items within the Swimming and Gala account that were over estimated. It was agreed that he should bring his concerns to the attention of the Swimming and Gala Secretary and the Development Officer with suggested revisions. A letter had been received from Keith Sutton, which had been discussed by the Officers before Christmas, which had asked the County to make a contribution of £3000 towards the costs of a Club Development Officer. A meeting to discuss the proposal had been called for the 8th January but prior to this the Secretary had written to the Regional Director stating that more information of the benefits to the County was needed and also the opportunity to discuss the matter with our Clubs. The Development Officer had attended the meeting on the Counties behalf and had learnt that the proposal had been deferred to 2014/15 and that a paper giving full details of the proposal and its benefits would be available prior to our ACM in June.
